

MEET KORAT

FULL-STACK DEVELOPER

Nava Naroda, Ahmedabad | meetkorat903@gmail.com | www.koratmeet.me

Computer Engineering student passionate about full-stack development. Skilled in front-end and back-end development, software development lifecycle, and best practices. Adept at creating scalable software solutions with a focus on user experience, performance, and deployment in fast-paced environments.

AREA OF EXPERTISE

Software Development Lifecycle	Responsive Design	Performance Optimization & Scalability
Attention to Detail & Clean Code	Problem-Solving & Debugging	User Experience & Accessibility

TECHNICAL SKILLS

Frontend: React.js, HTML, CSS3, Next.js, Tailwind CSS	Databases: MongoDB, PostgreSQL, Redis
Backend: Javascript, Node.js, Express.js, Prisma, Appwrite	Testing: Postman
Tools & Platforms: Docker, TurboRepo	Version Control: Git & Github

PROJECTS

SnackCase – Custom iPhone Case E-commerce Platform

[Live Link](#) 

- Developed a full-stack Next.js-based e-commerce platform for designing and purchasing customized iPhone cases.
- Integrated Tailored Artworks API for real-time design previews, enhancing user experience.
- Optimized performance for a shopping experience, ensuring scalability and smooth interactions.
- Implemented secure payment processing and order management for seamless transactions.

Aspect Mate – Image Dimension Adjustment Tool

[Live Link](#) 

- Built a cloud-based SaaS application that allows users to resize images effortlessly.
- Integrated Cloudinary for image processing, reducing image load times by 30%.
- Designed an intuitive UI following industry best practices for clean software development.

Admin Power – MERN Stack Admin Dashboard

[Github](#) 

- Developed a real-time admin dashboard with data analytics and user management features..
- Implemented a scalable backend using MongoDB, Express.js, and Node.js, improving data retrieval speed by 25%.
- Integrated JWT-based authentication for secure access control and software security.

EDUCATION

Bachelor of Engineering in Computer Engineering

August 2022- July 2026

Gujrat Technological University (GTU)

- Current CGPA: 8.22

ADDITIONAL INFORMATION

- Languages:** English, Hindi, Gujarati.
- Hackathon Experience:** Participated in a 36-hour DAICT Hackathon, collaborating in a fast-paced environment to develop a real-time collaborative coding platform.
